Parents: Please have your child track each word with their finger as they read it. Remind your child to look at the picture for clues to figure out what the last word in the sentence says.

Padres: Por favor, haga que su hijo/a rastree cada palabra con su dedo mientras la leen. Recuerde a su hijo/a que mire la imagen en busca de pistas para descubrir qué dice la última palabra de la oración.
We like baking.
We like reading.
We like jumping.
We like eating.
We like playing.
We like painting.
What do you and your family like to do when you are home?

• Draw a picture of what you and your family like to do at home. Have a parent help you write the sentence “We like ____”.

• Submit your work to your classdojo portfolio.
